Your Level of Cover

The table below shows the guaranteed sums assured that will be paid out after two years. If you die within the first two years of the policy, the cash sum pay out will be limited to returning the premiums you have paid, other than in the case of accidental death when the full sum assured will be paid. Your monthly premiums are invested in our Order Insurance with profits fund. Dependent on the fund's performance, bonuses may be added yearly to your policy to increase your sum assured, with the possible addition of a final bonus being paid on death. Bonuses will increase the cash sum your dependents will receive, however the addition of any bonus isn't guaranteed.

Simply find your age below and, based on your chosen monthly premium, see what basic sum assured you will obtain.
